

Special Track on Applied Cryptology and Network Security (STACNS) July 14-17, 2008, Las Vegas, USA

A number of Special Sessions on Applied Cryptology and Network Security will be organized within the 2008 International Conference on Security and Management (SAM'08), July 14-17, 2008, Monte Carlo Resort, Las Vegas, USA. This conference is an annual meeting on quality papers focusing on the latest developments in security. The goal of these sessions is to explore the research work of graduate students, and junior faculty/researchers.

Topics of Interest

Topics of interest include, but are not limited to, the following:

- Applications of Block and Stream Ciphers
- Applications of Symmetric and Public Key Cryptology
- Applications of Hash Functions and Digital Signatures
- Network Security

Submission Guidelines

- Prospective authors are invited to submit their draft paper (5-8 pages - single space, font size of 10 to 12) via email to daimikj@udmercy.edu (Kevin Daimi). MS document and PDF formats are preferable
- Papers must not have been previously published or currently submitted for publication elsewhere
- The first page of the draft paper should include:
 - The title of the paper
 - Name, affiliation, postal address, E-mail address, telephone number, and fax number for each author
 - The name of the author who will be presenting the paper (if accepted) and a maximum of 5 keywords.
- Authors of accepted papers should submit their Camera-Ready papers in PDF format. The maximum number of pages in the final papers is 7. Papers must conform to IEEE style guidelines at http://www.computer.org/portal/pages/cscps/cps/cps_forms.html.

Conference Proceedings

Accepted papers will appear in the SAM'08 Conference Proceedings published by CSREA Press (ISBN) in hardcopy. The proceedings will be available for distribution at the conference.

Important Dates

<i>Submission deadline:</i>	February 25, 2008
<i>Acceptance notification:</i>	March 25, 2008
<i>Camera-ready Version Due:</i>	April 25, 2008
